

Report Number:

Food-Grade Indoor and Outdoor Bug Killer & Repellent

BUGS 'R' DONE™ is a highly effective environmentally safe indoor and outdoor insecticide containing pure orange peel oil, nature's own botanically-derived, insecticide. In combination with four other ingredients, all named by the U.S. Food & Drug Administration as 'GRAS,' Generally Regarded as Safe in human foods, **BUGS 'R' DONE™** bears a warning free EPA-approved label in EPA's least hazardous category IV.

It is labeled both for use around food, children, and pets anywhere inside and outside homes, schools, and restaurants, and it kills disease-carrying cockroaches, flies, mosquitoes, and fire ants.
