# Clorox® Disinfecting Bio Stain & Odor Remover

PRODUCT SOLUTIONS

**Accidents involving human soils such as blood, feces and vomit can happen every day in your facility. These soils can leave behind tough stains and odors. But did you know that they may also contain germs that can spread illness throughout your facility if they are not properly cleaned, disinfected and sanitized?**

**Almost 50%** of Professional Cleaners experience spills of **blood or feces every day.**<sup>1</sup>

**100 Billion** – approximate viral particles of **norovirus per gram of feces.**<sup>2</sup>

**Norovirus** is extremely contagious, it is estimated to take as few as **18 viral particles to get you sick.**<sup>3</sup>

**In the U.S., approximately 240,000** new cases of bloodborne **Hepatitis B** infections occur every year.<sup>4</sup>

**\$650,000** cost to a major hospital due to a norovirus outbreak.<sup>5</sup>

## Introducing Clorox Commercial Solutions® Clorox® Disinfecting Bio Stain & Odor Remover

Now clean, disinfect and deodorize bio soils in one step!

✓ **Cleans and eliminates common everyday bio soils on hard and soft surfaces:**

- Blood
- Feces
- Vomit
- Sweat
- Urine
- Body Oils

✓ **EPA-registered to kill 19 pathogens found in bio soils in as little as 30 seconds.\***

- Norovirus
- Hep B & Hep C
- HIV-1
- Herpes
- *E. coli*
- MRSA
- *Salmonella*
- Strep & more!

✓ **Kills 99.9% of bacteria on soft surfaces.**

✓ **Broad surface compatibility:** Safe for use on common surfaces in your facility including upholstery, carpet, tile, grout, toilets and more!

✓ **Odor remover:** Eliminates the toughest odors from bodily fluids and soils, leaving behind a refreshing scent.

✓ **Compliant with OSHA's Bloodborne Pathogens standard.**

**Kills microorganisms in as fast as 30 seconds\***

## The Visual Proof

Stain remover: Strong cleaning performance on soft surfaces.

Fresh Blood  
(tested on 100% cotton)

Before After 2 treatments

✓ Removes fresh stains

Dried Blood  
(tested on 100% polyester)

Before After 2 treatments

✓ Removes dried-on stains

Ideal for Use in Hospitality, Educational and Healthcare Settings

## The Science of Clean

With the oxidizing power of hydrogen peroxide and the stain-lifting power of surfactants, the unique formula is specially formulated to clean, disinfect and remove odors in one easy step.

The formula breaks down bio soils at a molecular level and destroys the cell structure of odor-causing bacteria, so the bad odors don't come back.

## Use Clorox® Disinfecting Bio Stain & Odor Remover Across Multiple Surfaces

### ✓ Soft Surfaces

Fabrics  
Upholstery  
Mattress Surfaces†  
Curtains  
Carpets‡

### ✓ Glazed Porcelain

Toilets, Sinks
