

# Universal Absorbents Product Data Sheet

## Quick-Sorb Spill Pads Dispenser L70320, L71320, L72320

**Issue:** Potential safety hazards are present around in garage, home or workshop where leaks, drips, sprays or spills are most likely to occur.

**Solution:** Absorbent products should be readily available to control daily leaks and spills in case of an emergency.

**Description:** Make Quick-Sorb Spill Pads part of your spill control plan. Strong bonded layers allow fluid to spread through the material quickly to handle all your leaks and spills. Available in Universal, Oil Select and Hi-Visibility. Packaged 20 pads in a handy dispenser box.

### Features & Benefits:

- **Convenient** - Slim dispenser box can easily hang on doorway or wall in areas where spills are likely to occur
- **Super Absorbent** - Material can absorb up to 12 times its weight in fluid
- **Durable** - Bonded for strength, will not tear in normal use
- **Versatile** - Choose from Universal, Oil Select or Hi-Visibility to absorb all fluids including acids, bases and caustic liquids
- **Incinerable** - Reduces disposal costs

### Product Specifications:

- **Composition:** Chemically Inert Polypropylene
- **Colors/Application:** Grey/Universal, White/Oil Select, Yellow/Hi-Visibility

Available in Oil Select, Universal and High Visibility.
